**ISSN (PRINT) 2603-3763, ISSN (ONLINE) 2603-3771**

**INTERNATIONAL EDITORIAL BOARD**

**CHAIRMAN:**

Dimitar Damianov                      Technical University of Sofia                      BG

**VICE-CHAIRMAN:**

Kiril Angelov                      Technical University of Sofia                      BG

Pancho Tomov                      Technical University of Sofia                      BG

**MEMBERS:**

Alexander Ilyushchanka                      State Scientific Institution "O.V. Roman Powder Metallurgy Institute"                      BY

Andrzej Huczko                      Warsaw University                      PL

Claudia Barile                      Polytechnic University of Bari                      IT

Despo Ktoridou                      University of Nicosia                      CY

Diana Antonova                      "Angel Kanchev" University of Ruse                      BG

Dimcho Chakarski                      Technical University of Sofia                      BG

Egils Dzelzitis                      Riga Technical University                      LV

Elena Sidorova                      National University of Science and Technology MISiS, Moscow                      RU

Emilia Abadjieva                      Akita University                      JP

Günay Anlas                      Bogazici University                      TR

Isak Karabegovic                      Academy of Science and Arts of Bosnia and Herzegovina                      BH

Ivan Kuric                      University of Zilina                      SK

Ivo Malakov                      Technical University of Sofia                      BG

Janette Brezinova                      Technical University of Kosice                      SK

Jelena Jovanovic                      University of Montenegro                      ME

Katerina Hyniova                      Czech Technical University in Prague                      CZ

Kosta Mitreski                      University "Ss. Cyril and Methodius" – Skopje                      MK

Lubomir Dimitrov                      Technical University of Sofia                      BG

Marcin Golabczak                      Lodz University of Technology                      PL

Mykola Dolgov                      Pisarenko Institute for Problems of Strength, Kiev                      UA

Nataliya Kazantseva                      Institute of Metal Physics, Ekaterinburg                      RU

Ognyan Andreev                      Technical University of Sofia                      BG

Predrag Dasic                      High Technical Mechanical School of Trstenik                      RS

Silviu Macuta                      University of Galati                      RO

Souren Mitra                      Jadavpur University, Kolkata                      IN

Vahram Abrahamyan                      Yerevan State University                      AM

Volodymyr Zhavoronkov                      National Aviation University, Kiev                      UA

Zvonimir Guzović                      University of Zagreb                      HR

# CONTENTS

## **THEORETICAL PROBLEMS IN INNOVATIONS**

<b>Management of innovation processes in the organization</b> Naqib Daneshjo, Róbert Rehák, Peter Drábik .....	41
<b>Efficiency of formation and development of intrafirm knowledge in a modern market economy</b> Zoya Gelmanova, Anastassiya Mezentseva .....	45

## **INNOVATION POLICY AND INNOVATION MANAGEMENT**

<b>A study on the external factors affecting the work of the project manager during the execution of the construction investment process</b> Krum Rangelov .....	49
<b>Risk Driven Design of Technical Product</b> Josef Dvorak, Stanislav Hosnedl .....	53
<b>Evaluation of formal education active labor market policy programs in slovenia with propensity score matching</b> Kavkler Alenka .....	56
<b>Techniques for studying customer attitude to service provided</b> Martin Dimitrov .....	60

## **INNOVATIVE SOLUTIONS**

<b>Extended research on the efficiency of internal crystallization chemical admixtures for cement concrete - mechanical and structural characteristics</b> Valeriy Naidenov .....	64
<b>Stress and stability calculation of the third pass module of the steam boiler during lifting</b> Pejo Konjatić, Sara Radojičić, Marko Katinić, Meri Renduli .....	69
<b>Analysis of the densification of a biomedical titanium alloy produced by powder metallurgy</b> Ljerka Slokar Benić, Luka Komljenović, Erman Žiga, Magdalena Jajčinović .....	73
